Rana Electro Surgical

Supplier of Quality Surgical Instruments

ranaelectro.com

About Us

This catalogue best presents our craftsmanship, we have through the decades. The products covered in this catalogue are of most common use everywhere in the modern world and have gathered a lot of applaud by the professionals of Surgical industry.

Besides professionals, these products are equally popular among the amateur users. Most of the products especially Surgical are designed for the personal usage of Surgical conscious people with great comfort & ease whether at home or workplace.

We are proud of being a fast growing company having a well-equipped manufacturing facility and a highly skilled work force capable enough to meet any challenge we confront with or any target set by our worthy customers.

While going through this catalogue, if you do not find any product of your choice, do not take it as our limits but just assign us any job and let us prove our worth.

Our aim is to be a leading organization in the field of Surgical industry. We will try hard to win the confidence and respect of our customers as a reliable, responsive, skilled and highly caring organization providing products of higher international standards, while always being conscious of our responsibilities towards society, maximum growth and development of all individuals in the company and best possible returns to our stockholders.

Any suggestions for the improvement of the products as well as new ideas will be cordially welcome.
